Dear Professor,

I hope this email finds you well. I am writing to respectfully request a short extension on the Assignment -04 due on 31 March 2026 . Unfortunately, unforeseen health issues last week prevented me from completing it on time, though I have made significant progress.

I aim to submit a high-quality version by 4th of April 2026 and can provide supporting documentation if needed. Thank you for considering my request.
I value your guidance and am committed to meeting course expectations.
